

CONSARC EXPERIENCE SEMINAR 2010

With the New Year upon us the Consarc Experience Seminar is quickly approaching. In case you haven't heard yet, this year we will be having our seminar June 6th through June 9th in Philadelphia's Rittenhouse Square, right in the heart of Downtown Philadelphia, at the Warwick Radisson Hotel. Built in 1926 as the Warwick Hotel with English Renaissance architecture, the Warwick Radisson is listed on the National Register of Historic Places. The full-service hotel is known for its elegant lobby, sweeping staircase, matching fireplaces and well appointed rooms.

We have secured a room rate of \$159.00/night for a double or single. The rate includes a hot breakfast buffet served in the meeting room. Upgraded rooms are available for an additional cost. There are very few double rooms in the hotel therefore **it is strongly recommended that you book early and by telephone if you wish to guarantee a double room!** The hotel has also been gracious enough to extend the discounted rate to our attendees for a period of three days before and after the conference for those guests who wish to enjoy more of what Philadelphia has to offer.

Attached to this letter is our seminar registration form. Please help out our chairmen by registering and letting us know the subjects you want to talk about and the subjects you would like others to discuss so the topics can be published in time to give others a chance to prepare for the discussions. You can fill out and submit the form online by visiting our website, electronically via e-mail, or via fax.

We are enclosing "Beyond The Bell" a visitor's guide to both cultural and historical sites in Philadelphia as well as a map of Philadelphia including all of the major attractions. Also the Philadelphia Phillies will have home games from June 4th until June 10th. If you have the chance, you can catch the 2 time National League champions in action! There will be a lot to see and do around Philadelphia during the seminar and we look forward to seeing you there!

If you have any questions, please feel free to call or e-mail us at seminar@consarc.com. Don't miss out on this one; it has all the signs of being great. **See you in Philadelphia!**
